

Crosswalk

Basics	
Follow traffic signals	<i>At all times, even when heading out and back.</i>
Stay within designated crossing areas	<i>At all times. Don't cut corners when crossing.</i>
Do not block crosswalk	
Do not enter crosswalk with insufficient time to return	<i>Pay attention to the countdown timer.</i>
Do not step off corner early	<i>Wait for the signal to change.</i>
Keep sign up at all times	<i>Hold at a reasonable height for drivers to see, and to not impede your vision.</i>
Cars	
Use caution if cars are in crosswalk	<i>Position yourself in front of car and make eye contact with driver.</i>
Make multiple trips into crosswalk for pedestrian flow, and to allow cars to turn	<i>Don't hang out in the crosswalk if there is no one to help.</i>
Teamwork	
Work with your partner	
Work with other groups	<i>Especially when there are multiple groups at cross streets (e.g. Turk and Leavenworth).</i>
Single file versus "boxing"	<i>See intersection diagrams later in this document.</i>
Adopt what works best	
Strive for consistency
